

# Graig Janssen

## Front End Software Engineer

Brooklyn, NY | 856-685-9008 | [grraig.janssen@gmail.com](mailto:grraig.janssen@gmail.com) | [Website](#) | [LinkedIn](#) | [Github](#)

As a usability-focused Front-End Engineer with a background in music, I excel at building responsive, scalable products using HTML, CSS, and modern JavaScript frameworks. With a collaborative mindset and a passion for learning new technologies, I thrive in Agile teams and deliver high-quality results.
